

Members of Fuel Debris Retrieval Expert Committee

<Members of Decommissioning Strategy Committee and experts>

[Chairperson]	Koji Okamoto	Professor, Nuclear Professional School, Graduate School of Engineering, The University of Tokyo
	Hajime Asama	Project Professor, Dr .Eng. Tokyo College Institutes for Advanced Study Emeritus Professor, The University of Tokyo
	Masahiko Osaka	Japan Atomic Energy Agency Nuclear Science Research Institute Nuclear Science and Engineering Center Deputy Director General
	Yuzo Ohnishi	Professor Emeritus, Kyoto University
	Ken Kurosaki	Professor, Director, Institute for Integrated Radiation and Nuclear Science, Kyoto University
	Seiichi Koshizuka	Professor, Department of Systems Innovation, Graduate School of Engineering, The University of Tokyo
	Tadahumi Koyama	Research Advisor, Central Research Institute of Electric Power Industry
	Ken Nakajima	Professor Emeritus, Kyoto University
	Takashi Hamada	Former president, J-tech Co., Ltd.
	Takumaro Momose	Special Assistant to the Director General Fukushima Reserch and Enginnering Institute, Japan Atomic Energy Agency
	Akio Yamamoto	Professor, Department of Applied Energy, Graduate School of Engineering, Nagoya University

<Representatives of bodies concerned>

	Itsuo Akazawa	Director Decommissioning Project Department Nuclear Energy Systems
	Tomoyuki Arai	Program Manager of Fuel Debris Retrieval Program Department, Fukushima Daiichi Nuclear Power Station, Fukushima Daiichi Decontamination and Decommissioning Engineering Company, Tokyo Electric Power Company Holdings, Inc.
	Naoto Iizuka	Chief Technology Officer for D&D Fukushima Daiichi Decontamination and Decommissioning Engineering Company, Tokyo Electric Power Company Holdings, Inc.
	Masumi Ishikawa	President and Representative Director, Decom.Tech, Inc.
	Hidehiko Urata	Project Manager, Power Systems Division, Toshiba Energy Systems & Solutions Corporation
	Masaaki Osaka	Hitachi-GE Nuclear Energy, Ltd. Senior Chief Engineer
	Norio Kanehir	General Manager Technical Affairs Dept. Tokyo office JAPAN NUCLEAR FUEL LIMITED
	Shohei Sawada	General Manager Decommissioning Project Office Nuclear Power Department KAJIMA CORPORATION
	Kazuyuki Torii	SHIMIZU CORPORATION, Nuclear Project Division, Construction Engineering Department, Senior Engineer
	Masahiro Nakamura	Maneger, Project Planning Department, Nuclear Facilities Division, TAISEI CORPORATION
	Kentaro Hunaki	Executive Director for International Affairs and Fukushima R & D, Japan Atomic Energy Agency
	Tomiaki Yamauchi	President, International Research Institute for Nuclear Decommissioning(IRID)

(As of October,2024)
